Sunday School Lesson Overview

Sunday school is an hour-long class where we do a more in-depth study than we do on Wednesdays. We incorporate activities, videos, memory verses, and end with an application. This month we are studying...

Grades 6-8: This month we dive into our Christmas series with a look at Jesus' parents and the events surrounding his birth.

Grades 9-12: Following the second leadership training lesson, youth will dive into our Christmas series to learn more about some key people and events in the story of our Saviour's birth.
