Sunday School Lesson Overview

Sunday school is an hour-long class where we do a more in-depth study than we do on Wednesdays. We incorporate activities, videos, memory verses, and end with an application. This month we are studying...

Grades 6-8: Youth will learn about the sections of the New Testament and gain a general understanding of what we find here, followed by character studies on Stephen, and Ananias and Sapphira.

Grades 9-12: Youth will look at the books of the New Testament and why each is important to study before moving into our third leadership training lesson, and a look at the book of Jude.
