

Week 9 Idea:

Shared Blessings – There are many people who are in need during these hard times. Your family might be one of them or maybe you have been blessed with what you need. One way we can show the love of God is to share what God has blessed us with. This week as a family consider sharing the resources you have with others in need.

- Make an offering jar to collect your offering while you are unable to give as part of going to church (see below)
- Support the Food bank by dropping off some non-perishable food items
- Make a donation to Streets Alive (this spring in Kids Kingdom we were collecting for those who have less than us)

Thank you to

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion,
for **God loves a cheerful giver.** 2 Corinthians 9:7
