WORSHIP

Think of a challenging experience you've been through. Then sketch out a mountain on a piece of paper and write that challenge at the base of the mountain. Write down all the ways God helped you overcome that challenge along the side of the mountain, ending with the moment you finally overcame the challenge at the top.

FAMILY

Grab a soccer ball, basketball, football- whatever! Head over to your local field or basketball court and practice your sport of choice together!

SERVICE

You never know when accidents might happen. This week, put together a mini first aid kit with bandaids, sanitizing wipes, gloves, gauze, tape and tweezers and take it with you when you do activities outside of your house.
