WORSHIP

Take time this week to think about how God has moved you from a time of surviving into a time of thriving, through abiding in Him and being nourished by Him. To get you started, check out Casting Crown's song "Thrive".

FAMILY

It's hard to believe the summer is coming to an end! This week, print out all your favourite photos from the past 2 months and start putting them into an album! Don't forget to include notes about favourite moments or places you visited!

SERVICE

Going back to school can be tough, but it's especially difficult when you're missing family members who are in a correctional centre. This week, spend time praying for youth who have parents in these centres, either as inmates or as staff members, and ask God to help them find the support and strength they need to face a new school year.
