#### FALL MINISTRY PLAN

**IMPORTANT UPDATE - Phase 2 on hold:** This past Friday the Alberta Premier announced that due to the rapidly escalating number of covid cases, all social events in are limited to 15 people or less. Formal worship services are exempt, but unfortunately youth group is a much more grey area, given our meetings/events are much more interactive and socially natured. Our group is obviously larger that 15 people and we are also contending with the fact that nearly every school our youth attend have had outbreaks. I consulted our church council and they have decided that **we are not to move forward with phase 2 as we originally planned to on November 18**, and all in-person youth events are suspended until the situation improves and we are advised we are allowed to do so. This is disappointing to say the least, but showing love for one another and protecting the health/safety of our youth, families, volunteers, and community is very important. We look forward to moving ahead with phase when it is safe to do so.

## WORSHIP

The days are shorter and it's getting dark much sooner - this makes it a good time to reflect on John 8:12, where Jesus says He is the light of the world. Spend some time this week listening to "Light of the World" by Lauren Daigle and giving thanks for the hope Jesus gives us in our dark times
